

Investment Opportunity

Scaling for the Indian and Southeast Asian Markets

05 | FUNDING REQUIREMENTS

HawkFranklin Research is entirely **bootstrapped** and driven by internal funds. We have strong technical validation and an active engagement in the GCC (UAE). We seek strategic capital to scale PelliScope specifically across India and Southeast Asia (SEA), which are distinct target markets.

PHASE 1: INDIA (1 Year)

₹ Local Deployment & Data

₹50 Lakhs

(Approx. \$60,000 USD)

- ✓ Field Data Collection & Dermatologist feedback loop.
- ✓ Deployment of scalable services for hospitals and clinics.
- ✓ Regulatory compliance preparation for Indian market.

PHASE 2: SOUTHEAST ASIA EXPANSION

🌐 Regional Scale & Market Entry

\$1.0 Million

(USD)

- ✓ Establish regional presence and secure partnerships.
- ✓ Target markets: **Singapore, Vietnam, Indonesia, Philippines**
- ✓ Regulatory adaptation and launch campaigns across SEA.
